TRANSFORM GLASS ENVIRONMENTS WITH CUSTOM FILMS

## Frosted and Privacy Looks

A timeless choice for interiors, this effect mimics the look of frosted glass without the added expense. By using varying levels of white or black ink, the film will provide just the right amount of privacy desired for your space.

## High Impact Colors and Branding

Striking, full-color designs are a bold, stylish way to enhance your space or add branding. From opaque to transparent, using your inspiration and our different ink layering techniques, together we can create an environment that's completely unique."

## Double-Sided Photographic Effects

Vibrant, colorful graphics with an inner layer of white ink, are visible in reverse, full color on both sides of the glass. Providing multiple audiences the same captivating and powerful views.
